Safety innovation

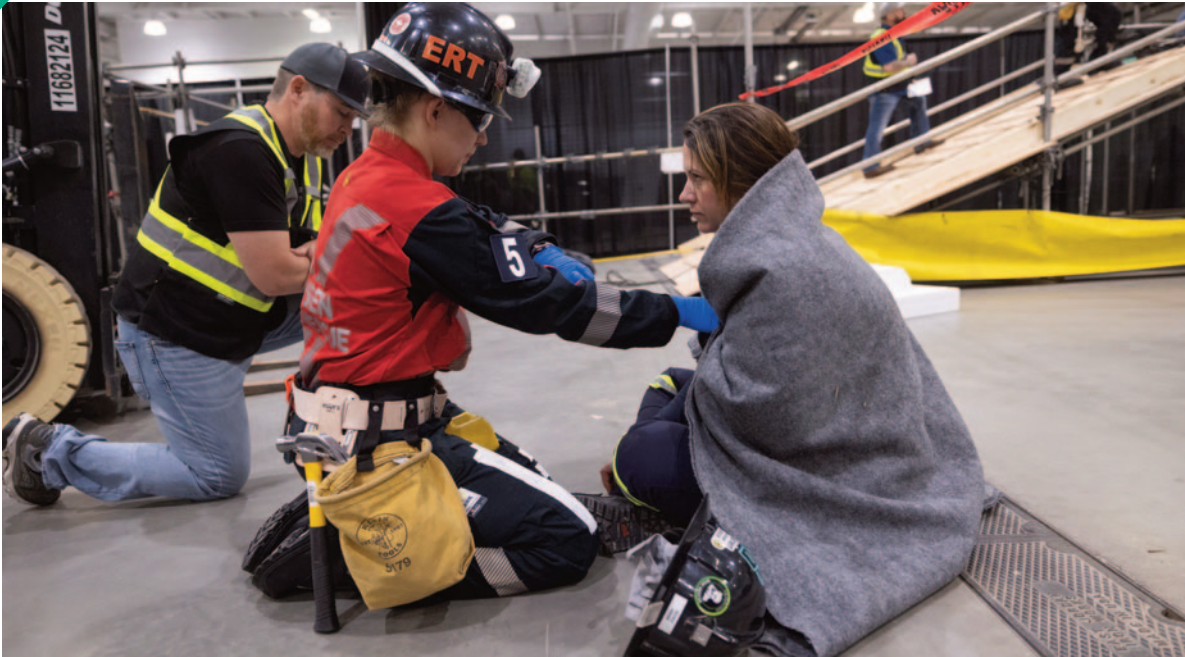

## Why Partner with ISSA Mining 2026?

Join global mining leaders at the premier international event dedicated to advancing safety, health, and well-being in mining. Proudly co-hosted by the Saskatchewan Workers' Compensation Board, the Saskatchewan Mining Association, the Canadian Institute of Mining (CIM), and the Health & Safety Society of CIM, this is where Canadian and international decision-makers connect to build a safer and healthier future for mining.

## About ISSA Mining

Founded in 1969, ISSA Mining is part of the International Social Security Association's global prevention network. The mission is simple: promote safety, health, and well-being across all mining and extractive sectors. With partners worldwide, ISSA Mining drives best practice, innovation, and international standards for mine safety.

## What to expect at the Conference

Participants will explore today's most critical safety themes, including:

- Technology – AI / Innovation
- Leadership & Culture
- Serious Injury & Fatality Prevention
- Mental Health
- Shared Learnings / Best Practice
- Community Relations & Impact
- Legacy Plan
- Emergency Response and Mine Rescue
